

## **Sounds of Music 2 Stroke Event Technical Regulations**

1. Sounds of Music is an open two stroke class that caters for 2 stroke race bikes from 247cc to 750cc.
2. Open to full GP bikes or road converted bikes.
3. Sounds of Music has 2 subclasses, 2 stroke GP/open class and any 2 stroke road based production or converted race bikes.
4. Numbers and background colours – GP/road based – As per ACU standing regulations.
5. Induction – Any.
6. Tyres – Both classes can be treaded or slick. Rain tyres may be used. Tyre warmers may be used.
7. Fuel – Both classes no restriction.
8. Conformity – In all other respects, the machine must conform to the current ACU standing regulations for solo machines.
9. In the case of hybrid bikes, class eligibility lies with the chassis and engine.
10. Road based class must use a chassis and engine from a road production machine, any variation to this will deem it a GP class machine.
11. Grid Position – First race will be based on qualifying time, subsequent race positions will be based on finishing position in previous race. If no time was registered rider will start from the back of the grid.
12. Points/Trophies – As per standing supplementary regulations.
